How to Create a Logo / Order Form..... 38-39

Dear Aviator,

As a professional pilot or business owner, have you ever tried to track down galley supplies for your airplane? You see them everywhere but no one seems to know where to get them, and when you find a source, it is 2-3 weeks before your product ships. This catalog represents the classic “saw a need and filled it” story.

The year was 1985. My father was a corporate pilot and saw the need for a mail order catalog of custom imprinted galley supplies that a discerning customer, like yourself, could simply pick up the phone and order. So in a little town called Nicholasville, Kentucky, out of our basement, my parents created a catalog and set up a print operation. They became members of the National Business Aircraft Association and exhibited at their annual trade show. The show was a success from day one, with people lined out into the aisle to order product. My parents recall never having worked so hard in their lives. Many of you may remember that first show.

Today, 38 years later, American Cabin Supply is a bit bigger, a bit more diverse, but in many ways still the same. We’re still in the same small Kentucky town. We’re still on the vanguard of the drinkware business. And most important, we still thrive on the quality and service that my parents instilled upon the company. Our skilled craftsmen pride themselves on producing a quality product, within a 5 day turnaround time, that will appeal to our discerning customer, and is backed by the best guarantee available anywhere.

GENERAL INFORMATION

Complete general information can be found online at: www.americancabinsupply.com

Shipping: We ship via FedEx and must have a complete street address (no PO Boxes) and zip code. Shipping charges to continental US addresses are 8% of order regardless of size, number of boxes, or weight. Minimum shipping charge is \$5. Shipping of exported, expedited, and other orders outside of the continental US will be billed at cost.

Proofs: Digital proofs are emailed within 24 hours. One change can be made to proof, thereafter each change will be \$10.00. Your order will not be put into the production schedule until the final signed proof is received.

Production Time: Normal production is 5 working days from receipt of signed paper proof approval. We're quite proud of our performance in providing quality work on time.

Disclaimer: Factory reserves the right to change product specifications or vendors.

Returns: We will gladly exchange any defective product or errors on our part within 30 days, but otherwise cannot accept returns of imprinted items.

Damage Claims: Product ships F.O.B. from factory. We are not responsible for breakage or damage in transit. Should damage occur, you must save all boxes and packing material as well as broken items for possible inspection by the carrier on your premises. Without the box and packaging material, claims will be automatically denied. Call our Customer Service Representatives and they will assist you in filing a claim.

Trademarks: Customer assumes liability for all trademarks and licensing, and holds American Cabin Supply® harmless from all claims and costs arising from items printed for the customer. Any trademarks photographed in this catalog are for illustration purposes only, and are not for sale or endorsements by their respective owners.

Clip art: Visit our website at www.americancabinsupply.com. Hover over the "Resources" tab and select "Clip Art" to browse our vast library of aircraft clip art, as well as rotary aircraft, different types of boats and other nautical themes. If you don't find what you need simply contact customer service and we will create what you want. We can even do custom art of your actual aircraft with a supplied photo.
